- 1.1 The Torbay Chess League competition season will be from 1st October to 30th April of each year.
- 1.2 Competitions will consist of league matches with 4 divisions, a Rapid play league and an annual Knock-Out Cup. Teams for each competition will be as follows:-
Divisions 1, 2, 3, 4, A & B – Four Players
Rapid play – Four Players
KO Cup – Six Players
- 1.3 Applications by an affiliated club to enter a team or teams, under such designation as they think fit, shall be made to the Competitions Secretary, as defined by article 5.8 of the Constitution. An affiliated Club and its membership are defined by article 3.1 of the Constitution.
- 1.4 The Competition Secretary shall recommend to the Council, for its decision, whether to accept or to reject any application and, in the case of the leagues, in which division each team shall play.

FORMAT & FIXTURES

- 2.1 In league matches, teams will normally play each other once at home, and once away, subject to the discretion of the Competition Secretary.
- 2.2 In league matches the maximum team rating for Division 2 will be Under 6800, for Division 3, Under 6400, for Division B, Under 6200, for Division 4, Under 6000 and for the Rapid play, Under 7000.
- 2.3 In Division 4 the maximum individual rating will be 1600.
- 2.4 In Knockout Cup matches the maximum team rating will be Under 10000. In the event of a drawn Cup match the result will be decided on board count, the lower score being the winner. If the score is still level the match will be decided by progressively eliminating the bottom board until a winner can be ascertained. Should all 6 games be drawn the match must be replayed within 21 days with the venue reversed.
- 2.5 The change of an agreed date of a fixture requires the agreement of both Clubs and the Competition Secretary. Provided the request for a change is received by the Competition Secretary 7 clear days or more before the fixture, the agreement of the opposing Club and the Competition Secretary shall not be withheld unreasonably, unless there are extenuating circumstances. The calculation of 7 clear days shall exclude both the date of the receipt of the request and the agreed date of the original fixture.

RATING

- 3.1 For the purpose of these Competition Rules, the latest ECF Rating list at the beginning of a season, and any official ECF list of corrections, shall determine a player's rating for the whole season.

- 3.2 To be able to play an unrated player a Club shall, 7 clear days or more before a fixture (see 2.4), provide the Competitions Secretary with all relevant details about the player's playing strength. The Competition Secretary will then give the player a notional rating based on his thorough investigations using whatever sources of Information he considers appropriate. In his sole discretion, the Competition Secretary may, in some circumstances, issue a notional rating even when he has been given less than 7 clear days notice. Failing the completion of these procedures, the player will be considered as ineligible for matches.

SCORING

- 4.1 Scoring of individual games will be on the basis of 1 point for a win, ½ point for a draw and 0 points for a loss.
- 4.2 Scoring of league matches will be on the basis of 2 points for a win, 1 point for a draw and 0 points for a loss.
- 4.3 A team failing to fulfil a fixture will be defaulted by the score, 0-4 in Divisions 1, 2, 3, 4, A & B, by the score 0-8 in the Rapid play and by the score 0-6 in the KO Cup.
- 4.4 If a team fails to fulfil 50% of its league matches all its league results will be expunged. If 50% or more of its league fixtures have been completed then those results will stand and the remaining unfulfilled league matches will be defaulted by the score 0-4 (or 0-8 in the Rapid play).
- 4.5 The Champions of each division will be the team with the most match points. In the event of a tie, the winners will be the team with the highest number of game points. If there is still a tie the championship will be shared.
